THE SISTERING SOLIDARITY WALK

www.sistering.org/sistering-walk

The Sistering Solidarity Walk is a community fundraising event supporting Sistering's frontline services for women and gender-diverse people experiencing insecure housing and poverty in Toronto. Funds raised support Sistering's 24/7 drop-in services, including food access, harm reduction, crisis support, and community-based care—responding to the gendered and systemic realities of insecure housing.

Corporate sponsorship provides vital, unrestricted support for these essential services while offering a meaningful, values-aligned way to demonstrate commitment to gender equity and community wellbeing. The Sistering Solidarity Walk is an accessible, inclusive event rooted in care and collective action. Every step helps keep Sistering's doors open, every day.

The Sistering Solidarity Walk marks Sistering's first-ever branded community walk, creating a new annual opportunity for partners and supporters to come together in visible solidarity with women and gender-diverse people experiencing insecure housing.

SUPPORT GENDER EQUITY AND COMMUNITY WELLBEING

By sponsoring the Sistering Solidarity Walk 2026, you will:

- Advance gender equity by supporting services for women and gender-diverse people experiencing insecure housing.
- Invest in community wellbeing through direct support of frontline, 24/7 care.
- Demonstrate social responsibility with a tangible, local impact in Toronto.
- Align your organization with a trusted nonprofit delivering measurable, life-sustaining services.
- Engage employees in a meaningful, values-driven community initiative.
- Increase brand visibility through positive, purpose-led community recognition.

ABOUT SISTERING

Sistering is a multi-service agency that provides low-barrier practical and emotional support for women and gender-diverse people. We have been leaders in serving Toronto's most vulnerable, in all their diversity, for over 40 years. As Toronto's only 24/7 Drop-In for women and gender-diverse people, Sistering offers a safe, inclusive space where participants can access essential supports, build community, and move toward stability. Our programs include housing support, harm reduction services, trauma-informed counselling, case management, employment and skills training through SPUN Studio, and low-barrier medical and psychiatric care.
